**GREENVILLE, SC:** Milestone Custom Homes is proud to announce its partnership with Carolina Mountain Real Estate (CMRE), a real estate provider who specializes in The Cliffs Communities but also offers services for the Upstate and the mountains of Western North Carolina. As a building partner, Milestone will be one of multiple contractors CMRE will use to provide custom homes to clients in the Cliffs Communities.

**About Milestone Custom Homes**

One of Upstate SC's premier builders, Milestone Custom Homes uses efficient building practices to give their clients a stress-free and personal custom home-building process. Notable projects include two Inspiration Homes that showcase the innovations and building practices Milestone implements in all of their custom homes. Milestone frequently builds in high-end communities including Montebello, Cobblestone, and Claremont.

**About Carolina Mountain Real Estate**

CMRE is an independent real estate provider for the Mountain Region of The Upstate. With 40+ years combined regional experience working within The Cliffs Communities, CMRE is dedicated to assisting buyers and clients in finding the best values in luxury real estate within The Cliffs Communities as well as The Upstate of South Carolina and mountains of Western North Carolina.
